Atmos Energy to Perform Construction Work in Cedar Park

CEDAR PARK, Texas – Dec. 13, 2022 – Beginning Monday, Dec. 19 from 8 a.m. to 5 p.m., Atmos Energy will perform construction work on Lone Star Drive near the intersection of West Whitestone Boulevard in Cedar Park, which is scheduled to continue through Thursday, Dec. 22. Atmos Energy remains focused on its vision to be the safest provider of natural gas services, and this system modernization work demonstrates a continued investment in safety, innovation, environmental sustainability, and our communities.

Traffic cones, barriers and signage will be visible, and residents in the area may notice construction crews and equipment for the duration of the project.

Atmos Energy customers will not experience any service interruption while the work is being performed and city staff, public officials, 911 operators, and emergency responders have been advised.

About Atmos Energy

Atmos Energy Corporation, an S&P 500 company headquartered in Dallas, is the country's largest natural gas-only distributor. We safely deliver reliable, affordable, efficient and abundant natural gas to more than 3 million distribution customers in over 1,400 communities across eight states located primarily in the South. As part of our vision to be the safest provider of natural gas services, we are modernizing our business and infrastructure while continuing to invest in safety, innovation, environmental sustainability and our communities. Atmos Energy manages proprietary pipeline and storage assets, including one of the largest intrastate natural gas pipeline systems in Texas.
